

### **V8 UTE DRIVER ANDREW FISHER A SUCCESS AT BALMAIN**

Racing car driver Andrew Fisher was the guest speaker on Father's Day at the Balmain Christian City Church.

More than 200 people turned-out to have a look at the V8 Ute he drives in the Yokohama V8 Ute Series, and to hear Andrew speak about his experience as a race car driver, as well as the importance of having integrity, both on and off the track.

"There's more to faith than just going to church on Sundays," says Andrew. "It's about life. Christians can win, lose and knock into other cars on the racetrack too!"

"I want people to see that having faith doesn't make you a freak, or mean you can't do fun things, it just means you do things a certain way, and you do them with integrity."

Andrew arrived in a replica race car and after the message, handed out signed posters to the kids, while the congregation and his own family, enjoyed a bacon and egg brunch

This year Andrew will also drive a 'Jesus Supercar' around Mt Panorama across the second weekend in October.

It's Andrew's eighth year in motorsport and his second in the V8 Utes.

Last year he was named 'Rookie of the Year', with the team finishing fourth overall.

The Jesus Racing team has the full support of the Jesus. All about life. campaign.

This is a massive multi-level advertising and PR campaign that has already run in several states, with WA scheduled for later this year and NSW in 2009.
