

The Jesus Racing Team has thrown its weight behind a Campbelltown family badly in need of support.

The Carr Family from the Macarthur area lost their father David to bowel cancer two years ago, leaving mother Heather to raise her three girls Alison (8), Charlotte (15) and Amy (17) alone.

The girls attend William Carey Christian School at Prestons.

Now Heather has been diagnosed with a rare and incurable form of thyroid cancer, and already, her health is not good.

In a bid to raise badly-needed funds for the family, the local community has pulled together, and on Sunday October 26 will hold a benefit afternoon at Liverpool Catholic Club.

The event starts at midday and includes a meal, silent auction and entertainment.

Among the many fantastic items up for auction, The Jesus Racing team and driver Andrew Fisher have donated a damaged side-panel of their Yokohama V8 Racing Ute (with full livery) for the silent auction (looks great on the bar-room wall), as well as a Hot Lap in the V8Ute, which will see the lucky winner reach speeds in excess of 200 km/h down the main straight in the racing car!

**For more information on the benefit night, please call Caroline Young
on 0414 583 103.**
